PROJECTS

DENTAANALYTIX: ENHANCING DENTAL CLINIC ADMINISTRATION THROUGH DATABASE MANAGEMENT SYSTEM

Batangas State University TNEU, May 2024

The system aims to digitize patient records, improve appointment scheduling, enhance accessibility, and enhance security, enabling timely decision-making, individualized treatment, and efficient data retrieval.

MOVIEMATE: MOVIE TICKET BOOKING SYSTEM

Batangas State University TNEU, December 2023

An online ticket booking system prototype which gives customers a streamlined and safe booking experience by getting rid of lines, improving accessibility, and minimizing errors. At the same time, it streamlines theater administration, enhancing operational effectiveness and conforming to contemporary industry standards.
